

RG-4400HF

4U Rugged High Performance Rackmount Chassis

Features

- Durable 1.6mm SGCC with rugged construction
- Anti-vibration HDD cage reduces shock and vibration
- 4x 90mm blower fans in front and back of chassis for effective airflow and cooling; fans have hot-swap capability for easy maintenance
- Power and reset buttons mounted behind door to prevent unintended access
- Removable front plate with filter mounted; easy access to drive cage
- Compatible with E-ATX, ATX, and microATX motherboards
- Power LED and HDD access indicator are visible through front bezel window
- 7-slot retainer included to enhance stability for long add-on cards
- Compatible with redundant power supplies for zero down time
- Optional rear fan duct for noise reduction
- Optional lockable spill-proof front bezel
